Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Sunday 24 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Patchy sleet and snow dying out. Cold.

Today:
Patchy sleet or snow mostly dying out this morning, although perhaps lingering across parts of the southeast into the afternoon. Otherwise mostly dry with some afternoon sunshine. Cold. Maximum temperature 3 deg C (37 deg F).

Tonight:
Many places will be dry with lengthy clear periods, the odd wintry shower across northern counties. Widespread frost and some freezing fog patches. Icy patches. Minimum temperature -3 deg C (27 deg F).

Monday:
Freezing fog patches clearing by the end of the morning. Otherwise mainly dry with plenty of sunshine, chance of a shower in the far north. Cold. Maximum temperature 4 deg C (39 deg F).

Outlook for Tuesday to Thursday:
Rather cold on Tuesday with spreading from the southwest in the afternoon. Remaining unsettled on Wednesday and Thursday with rain at times, becoming a little milder.
